at 6:00 pm. We will then move to the meeting space at **7:00 p.m.** *Wine and cheese will be available, but please bring anything else you would like to have and/or share!*

For those who won't make it to the wine tasting first, note that I have reserved the entertainment room at the complex for our meeting. When you get to the American Can Building just park in front of the shops and then come to the gate. Dial 100 to get the front desk and let the person know you're here for the Sigma Kappa meeting and they will buzz you in.

Come through the lobby to the back of the complex, walk to the right towards the pool area (not the fountain) and the entertainment room is behind the pool.
